

Community Plug-ins & Markup Tables

Every registered user is able and invited to upload OpenTM2 plug-ins or new markup tables he wrote. Please simply [create an account](#), log-in to the system. Afterwards:

- switch to [Community Plug-ins space](#) (this space)
- upload your plug-in to the [Plug-in overview page](#)
- edit the properties of the uploaded file to explain and categorize your plug-in
- feel free to add an additional page to the [Community Plug-ins space](#), that explains and documents your plug-in more in depth.

All plug-ins listed on this page are unofficial community plug-ins.

For more information about official and unofficial community plug-ins please have a look at the [OpenTM2 development process](#).
